Dear Heavenly Father,

If it be in accordance with your holy will, we ask that you bless our efforts to be a family for single mothers and their children through St. Clare's Home so that we may humbly serve all who come to us with love, shelter, and an opportunity to grow and learn.

We invoke the patronages of Mary, Our Lady of Joyful Hope and Our Lady of Guadalupe, and of St. Clare, to help guide our steps. We ask her protection of all mothers in need so that they may willingly embrace God's plan for love and life.

Amen.
